

# Visit My Pet Cam - Quick Setup Guide

## Step 1: Download the App

Download the 'EseeCloud' app from the Apple App Store or Google Play Store by scanning one of the QR codes below:

Apple App Store

Google Play Store

## Step 2: Log Into the Community Account

Open the app and log in using the community account:

Email: **Tajparkcam@gmail.com**

Password: provided at check-in

## Step 3: Watch Your Pup

Tap the play button and enjoy!

**Note:** These cameras feature PTZ (Pan-Tilt-Zoom) capabilities. To use them, use the on-screen joystick to pan, tilt, and zoom the camera.

Please Note: Our cameras depend on network connectivity, so please understand that the video signal may occasionally be interrupted. Rest assured, your pup won't be out in the park for long stretches at a time — groups are rotated throughout the day so every dog gets multiple visits to the park. The park is in use from 10:00 AM to 4:00 PM, so that's the window you'll see activity on camera.

If you experience issues during setup, contact us for assistance.
